RICHARD LEHMAN & SUZIE SHARE THE LOVE

Suzie was the runt of the litter when Richard Lehman adopted the German shepherd puppy four years ago, but he immediately recognized that she had a lot of love to give. He saw she was very smart, too. That's why he and Suzie underwent the many hours of training to become a registered service dog and then additional training to become a certified therapy dog. Richard and Suzie spread that love around by visiting nursing homes, hospice patients, veterans, schools, libraries, and wherever Suzie can lift spirits. No longer a runt at 80 pounds, Suzie has been a regular this summer at the North Webster Library where children practice their oral reading skills by reading to this gentle canine who enjoys the attention. "She loves to be around people," says Richard. A snowbird of sorts, Suzie winters in Greenville, Texas with her family and spends her summers at Jellystone RV Park. Thanks, Suzie and Richard, for sharing the love!
